WHO WE ARE

The Ashmolean is the University of Oxford’s museum of art and archeology. Opened in 1683, the Ashmolean is the world’s oldest public museum – a celebrated treasure house with incredibly rich and diverse collections ranging from Egyptian mummies to modern art.

We tell human stories across cultures, across time, presenting new ideas and searching questions, creating experiences which are enjoyable, stimulating and enriching.

“Wiley is proud to support the iconic Ashmolean Museum; our colleagues are enthusiastic supporters who pay regular visits to enjoy the many treasures there.”

John Wiley & Sons Ltd.
Our association with the Ashmolean has enabled us, not only to provide in a wonderful setting valuable educational opportunities, but also enhance our image.”
