

# INSTRUCTIONS...

- Print out the cards and cut them out. Use the optional card backs and laminate if desired. You will need to print out multiple sets for some activities.
- Play snap or 'Top Trumps' style games. You can play snap by exact matches or by material, time period or location.
- Play memory match or pairs with the cards.
- Use the cards to pinpoint prehistoric finds on a map of the UK.
- Use these cards or the Highlight Object Cards to add to a prehistory timeline in the classroom.
